Sir:

This is simply to summarize the substance of the Examiner Interview which took place on February 29, 2012.

In that Interview, Applicant discussed Stafford et al. (US 5,763,118); Izaki et al. (US 2002/0113685); Thiele et al. (US 4,599,283); and Toyoda (JP 2001-243927).

During the Interview, Applicant noted a number of differences between the cited references and what was set forth in the pending claims. The Examiner maintained the rejection during the Interview, however, indicated that he would be continuing to review the application.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
